Sambalpuri Bastralaya Handloom Co-operative Society Ltd,

Govindpali Road, Bargarh– 768028

GENERAL CONDITIONS

1. Sealed Tenders are invited from reputed Decorators/Contractors for construction of exhibition Pavilion/Stalls/Front Gate and Electrification Work for the proposed Special Handloom Expos to be held at different places within the State. The rates to be finalized in this tender process will be valid for one year i.e. up to 28.02.2022 or till finalization of fresh tender during the financial year 2021-22 whichever is earlier, for such other events of Bastralaya both inside & outside the State.
2. The duration of Expo shall be 16 (Sixteen) days. However, in case it is extended up to 7 (Seven) days, no extra payment shall be made to the Contractors. In case the Fair extended for more than seven days extra payment for each extended days(s) beyond 23 days shall be made at the rate not exceeding proportionate cost for 23 days. On completion of the Expo, the Contractor shall have to take away all the materials within 3 (three) days and shall have to vacate the site. He shall have to pay 10,000/- (Rupees Ten thousand) only per day for the days he occupies for vacating the site beyond the period allowed therefore. It is the responsibilities of the Contractor to obtain clearance certificate from the Complex Authorities regarding clearance of the complex. The proposed Special Expo of this year will be held at Belpahar/Gumadera from 07.03.2021 to 22.03.2021.
3. The Expo premises shall be formally made available to the Contractor by Expo Authority on as is where is basis before 4 days time of inauguration of the Expo. The construction work must start immediately at site on the same day and be completed and handed over to the expo Authorities formally by morning on the day of inauguration positively. The progress of the work shall be checked and supervised by officers duly nominated by the Expo Authority to ensure that the work is done as per the specifications and time schedule.
4. In case any portion of work is not completed as per laid down specifications and handed over to the Expo Authorities on the due date, penalty up to 25% on the total value of work allotted/awarded will be imposed per day by the Expo Authorities.
5. The volume and number of works may vary at discretion of the Expo Authority, up to 40% of the contracted work either way & final payment to the Contractor shall be regulated on the basis of actual work executed and on the rate(s) initially approved. For extra fittings Contractor will have to quote rate separately. For all such extra fittings, the Expo Authority reserves the right to pay the lowest of the rates quoted by the competing Contractor.
6. The Contractor will be responsible for up keep and maintenance of the entire work done by him till the closing of the exhibition, for which, no extra payments shall be made. He shall therefore, have to ensure adequate number of carpenters/helpers to the satisfaction of the Expo Authority. Breakages and damages in any work shall immediately be settled and no extra payment will be made for any damage, breakage or loss on account of any reason or natural calamities. Lay out plans etc of the site shall have to be provided by the tenderers. Managing Director, Sambalpuri Bastralaya Handloom Co-operative Society Ltd, Bargarh reserves the right to reject any or all tenders without assigning any reason or to accept any portion of the tender and award the remaining work to any other Contractor or to make an empanelment selecting more than one agency for the purpose.

Accepted Contractor

No part of the contract will be sub-let without the prior written permission of the Managing Director, Sambalpuri Bastralaya Handloom Co-operative Society Ltd./Expo Authority.

7. It shall be the responsibility of the successful tenderers/contractor to obtain requisite permission for water, electricity power, coverage and other essential connection at the Expo Ground for the duration of the Expo i.e. from the date the ground is handed over to the contractor for construction to the date the ground is handed over back to the Local Authority from whom it has been taken on rent. It shall also be responsibility of the contractor to liaise with the concerned authorities and arrange all the civil, electrical connection and other amenities that may be required for running of the Expo. However, security deposits, if required, shall be made by the Expo Authority. Letters to the concerned authorities shall also be addressed by the Expo Authority. Security deposits, installation charges and consumption charges for all civil and electrical connections for the duration of the Expo while shall be paid by the Expo Authority, the contractor will however, have to pay all security deposits, installation & consumption charges, both civil and electrical for the duration he takes over the ground to the time he formally hands over the complete work of the Expo to the Expo Authority.

8. In regard to electrical fittings etc, the Contractor shall have to engage qualified licensed Electrician/Contractor entitled to erect, handle and maintain high tension supply line and its up keep and maintenance.

9. The Contractor shall not use any materials other than those specified in tender without the prior permission of the Managing Director, Sambalpuri Bastralaya Handloom Co-operative Society Ltd, Bargarh/Expo Authority.

10. Advance/Part Payment may be considered to the Contractor with progress of the work and on mutual agreed upon between the contractor and Expo Authority. Final payments will be made only after completion of the Expo and handing over the complex to the Complex Authorities.

STANDARD SPECIFICATIONS FOR THE INTERIOR AND EXTERIOR DECORATION WORK OF THE EXHIBITION PAVILIONS/STALL FOR SPECIAL HANDLOOM EXPO.

DETAILED SPECIFICATIONS

The structures should be steady and neatly finished. The basic structure is to be constructed with Balli/Bamboo Pillars and the rafter and purlins with bamboo at a distance not less than 2'. The roof is to be covered with good quality rubberized/nylon FRP tarpaulin and should be without any imperfection and holes to prevent leakages of water in the advent of rains in order to protect the products of the participants. Sufficient slope is to be provided to ensure water drainage in case of rains. The front should have minimum of height of 8' from the ground and the back should have a minimum height of 6'6" according to enclosed drawing. The platform is to be made of ¾" ply block board and should be at 0.5' height from the ground according to site conditions. Proper bracings at a distance of 2' (both vertical and horizontal) should be constructed to give platform enough strength and to withhold the anticipated crowd to the Expo. Good quality Synthetic Carpet Flooring of approved quality should be laid over the platform. The gap between ground and platform should be covered with 4-mm ply.

The back and side walls should be made of 4' frame work of not less than 3" x 1" vertical and at least 1" horizontal frame work covered with white cloth on both sides. Dividing walls should also be made as per the above specifications. The minimum height of the walls from platform should be 8'. The new white cloth ceiling with wooden framework should be fixed at 8.0' from the platform. A step at the entrance should be provided to enable the visitors to the Expo (as per the drawing to have an easy access to each pavilion). The front flex fascia should be as per approved design. The entire backsides of the stall should be fixed with GCI Sheets.

Sale counter and cash counter is to be fabricated with 18 mm. Commercial block board/wooden post and shelve/similar nature of material as per site requirement and either to be properly painted with approved shade colour or to be covered with new cloth/flex of approved design. Height should be 2'6" and the width 2'. The length of the counter will not be less than 8 Ft. in each 150 Sft. Pavilion/Stall.

Two nos. of chairs shall be provided in addition to the stipulated sales counters to each of the pavilion/stall. 10'-0" length three tier racks of 4' width and 4' height should be provided in each pavilion and should be fabricated with commercial block board/wooden post and shelves/similar material covered with new white cloth.

Accepted

Contractor

For each pavilion 2 nos. fire Extinguishers as approved by Fire Authority shall have to be installed. One each for common and another suitable for electrical fire along with fire extinguishers for each Pavilion, 2 nos. of buckets (specially designed for fire fighting) containing water in one and sand in another to be installed. They should be installed at places as directed by the Fire Authority. The Contractor shall have to obtain the Fire Safety Certificate at his own risk from the concerned fire authority. Electrical light

and fan fittings to be provided with necessary wiring on main line separately for (a) fan (b) light (c) night lamp, distribution and point wiring including switch, main switch etc., using ISI standard wire and light fittings complete as may be approved by the local electrical authority. All fittings should be properly focused to enable enough/proper lighting at the sales counter and general lighting at the pavilion. Stall front carpet area should be matting with green PVC mat.

The following fittings will be provided:

Pavilion size (in sq. ft.)	CFL lights 65W & above	Ceiling Fan	Extra Night Lamp-cum-Inverter connection out of the provision as under.
1	2	3	4
150	4	1	1

(Contractor should provide requisite number of Invertors as stand by so as to provide connections to the number of lights as mentioned under column-4 in the case of power failures. Cost of the invertors should be covered while quoting per sq. ft. rate for the pavilions. The capacity of the invertors must be such as to meet the load of the installations under Col.4).

All electrical works including fittings and fixtures and wiring must be done through a licensed Electrical Contractor borne in the current approved list of PWD (Electrical/CPWD, etc) who will submit and obtain necessary approvals and submit TEST FORM to Executive Engineers, PWD/ Electrical Inspector Govt. of Orissa (Electrical for Power connections).

Accepted

Contractor

The Contractor shall quote rental for the following items for the duration of the Expo. The rental shall be inclusive of all wiring, trenches inclusive of all cabling from switch transformer to boards, distribution boards for each block of 10 shops to main panel board for three phase meter for requisite power load inclusive of all equipment structures

and fittings as required for the electric supply and contact from the supply terminal to and inclusive of distribution board for a block of 10 shops as approved. Installation of transformer(s) shall also be the responsibility of the contractor. He shall also supply fix and maintain HRC fuses. TP switches fuse kits, DP switch fuses, porcelain Kit-kat etc., etc/. required for the distribution of power to individual shops. Complete safety measures shall be adopted and all cable joints etc., properly earthed with copper conductor and sufficient earthing pits provided under direction and approval of the Managing Director/Expo Authority. The rental shall include constant attendance of the qualified, licensed and experienced electrician for the maintenance and service (entirely at the cost of the contractor). The temporary electrical connection required for construction period and entire Expo period shall be obtained by the contractor at his own risk, but consumption charges will be borne by the Expo authority.

Besides the tube light fittings, spot lights, fans etc. mentioned in the general construction, the contractor has to provide the following lighting arrangements. Providing and fixing Halogen light outdoor type water proof fittings complete the under ground wiring and steel fixing brackets of 75mm x 6 mtrs high ('A' class steel poles duly painted black or as per instruction of the Managing Director/Expo Authority with two/four) 1000 watt halogens (quote separately for two/four). Providing and fixing 4' long fluorescent tube light on new steel patties in the parking area. WC bathroom, etc., as per the instructions of the Expo Authority. The number of lights should be sufficient to avoid darkness and as per instructions given by Expo Authority. Complete public address system with a powerful (PA 60) switch over type amplifier with 2 microphones, tape player and 20 numbers loudspeakers strategically placed on the ground and parking area is to be provided.

Accepted

Contractor
